Havengebouw

The Port of Amsterdam head office is located in the 'Havengebouw' (at the De Ruijterkade 7) in Amsterdam, on the 7th, 8th, 9th and 10th floor. The reception is on the 8th floor.

The building is located within five minutes walking distance from the Central Railway Station and thus easy to reach by train, subway, tram and (local) bus. Via the north-exit (the back) of the Central Station you can see the Havengebouw building to your left.

For visitors coming by car the Havengebouw building has a few limited 'paid parking' possibilities.
